About Jobbinge

Jobbinge is the exclusive hiring platform designed to bridge the gap between growing companies and job-ready graduates.

Our mission is to revolutionize hiring by focusing on role-specific assessments, real industry mentorship, and providing a zero-cost hiring model for companies to maximize opportunities for your students.

Why Jobbinge?

A Smarter, Fairer Model for Placements.

Real Industry Mentorship

Personalized mock interviews and resume feedback from actual industry mentors at top MNCs.

Flat Yearly Fee

One predictable, affordable fee for your entire college, not a costly per-student model.

Role-Specific Assessments

We go beyond aptitude. Students are tested for specific roles like SDE, QA, and Business Analyst.
